B1. Performance Standards

B1. Performance Standards

In order to facilitate efficient and cost effective regulation by the Florida Engineers Management Corporation ("FEMC"), the following performance standards and measurable outcomes are adopted:

- (1) FEMC shall make a determination of legal sufficiency within 30 days of receipt of a complaint.

In the Fourth Quarter of Fiscal Year 2016 / 2017, 30 total new complaints were received of which 20 were complaints against licensees and 10 were complaints against unlicensed individuals or entities. Of the new licensed complaints, 16 were deemed legally sufficient, 2 were deemed legally insufficient, and 2 were undetermined at the end of the First Quarter, as they were still within the 30 days of determination and were still in the initial review process. Of the new unlicensed complaints, 9 were deemed legally sufficient, 0 were deemed legally insufficient, and 1 were undetermined at the end of the First Quarter, due to being within the 30 days of determination and still in the initial review process.

- (2) Within fifteen days of receiving a complaint that is determined to be legally sufficient, FEMC shall furnish to the subject or the subject's attorney a copy of the complaint or document that resulted in the initiation of the investigation.

Of the 25 cases deemed legally sufficient, the subject (or subject's attorney) was notified and furnished a copy of the complaint, or, in the case of some unlicensed cases, furnished with a Cease and Desist Order resulting in 100% compliance with the Rule.

- (3) FEMC shall provide status reports to the Board regarding all outstanding disciplinary cases at every other regularly scheduled meeting of the Board. The status report shall include all legally sufficient disciplinary cases until entry of a final order by the Board. Upon entry of a final order, FEMC shall notify the licensee's employer of the action taken by the Board.

Status reports were submitted to the Board at the August 2016 FBPE meeting. As far as FEMC can reasonably ascertain the existence of an employer for Respondent, FEMC now has 100% compliance with that requirement.

- (4) FEMC shall refer to the Board any investigation or disciplinary proceeding not before the Division of Administrative Hearings pursuant to Chapter 120, Florida Statutes, or otherwise completed by FEMC within one year after the filing of a complaint.

Referenced in the previous quarterly report, at the end of the Fourth Quarter of the fiscal year 2015 –2016, 11 cases were identified as being more than one year old; and, of those 11 cases, 4 have been resolved. As a result of aging, there are 7 additional cases that reached year old status during the First Quarter of Fiscal Year

B1. Performance Standards

2016 / 2017 thus making a total of 14 cases which were more than one year old at the end of the First Quarter for the 2016 / 2017 Fiscal Year.

(5) FEMC shall notify the person who filed the complaint of the status of the investigation every six months, including whether probable cause has been found, when the case is on the agenda for consideration by the Board, and the status of any administrative proceeding or appeal.

FEMC is in 100% compliance with this section.

(6) At least 90 days before the end of a licensure cycle, FEMC shall forward a licensure renewal notification to active or inactive licensees at the licensee's last known address of record with FEMC.

FEMC is in 100% compliance with this section.

(7) At least 90 days before the end of a licensure cycle, FEMC shall forward a notice of pending cancellation of licensure to a delinquent status licensee at the licensee's last known address of record with FEMC.

FEMC is in 100% compliance with this section.

(8) Upon receipt of an application for a license, FEMC shall examine the application and, within 30 days after such receipt, notify the applicant of any apparent errors or omissions and request any additional information FEMC is permitted by law to require.

(10) If an applicant seeks a license for an activity that is exempt from licensure, FEMC shall notify the applicant and return any tendered application fee within 30 days after receipt of the original application.

FEMC is in 100% compliance with this section due to the fact that it has not received any application for an exempt activity.

(11) FEMC shall maintain the Board’s web page and update the web page within 14 days of the date the updates go into effect. Administrative complaints shall be posted no later than 30 days after the recommendation by the probable cause panel. All active disciplinary cases shall be posted on the web page, including the final action taken by the Board until the terms of the final order are completed or until the licensee becomes inactive, retires, relinquishes the license or permits the license to become null and void.

FEMC is in 100% compliance with this section.
