**Review of FBPE Mission and Scope:**

FBPE's Mission: To protect the health and safety of the public by properly regulating the practice of engineering within the State of Florida.

FBPE's Scope: To meet its statutory obligation and exercise its legislative authority by reviewing and approving engineering applications; managing, updating and enforcing the rules that govern the practice of engineering and to guard against the unlicensed practice of engineering within the State of Florida.

T. Informal Hearing on Denial of Application for Licensure as Professional Engineer

#1. Aman Dhuwe

Mr. Harris explained the basis for the denial. Mr. Dhuwe lacks 48 mos. Experience and lacks 3.9 hrs. general ed. per NCEES evaluation. Mr. Dhuwe is requesting his MS transcripts be reviewed by the Board for the general ed. deficiencies even though the MS degree was included as part of evaluation.

Upon motion by Mr. Albergo, seconded by Mr. Shah, that Mr. Dhuwe was properly served with the Notice of Intent to Deny and filed an Election of Rights or other responsive pleadings within the time period required by law to convene a 120.57(2) hearing not involving disputed issues of fact after the voluntary dismissal of the DOAH petition and remand from DOAH, to accept the complete application and DOAH files, including any supplemental materials provided by Mr. Dhuwe, into the record, to adopt the factual allegations contained within the Notice of Intent to Deny as the Board's findings of facts, to adopt the legal conclusions contained in the Notice of Intent to Deny as the Board's conclusions of law, and find the facts adequately support the denial of the application for Florida licensure, and to deny the application for Florida licensure and to stay this decision for 10 days, to direct staff to contact the applicant and to offer the option to withdraw the application in writing, the motion passed.

U. Review of Application / Determination of Material Facts in Dispute / Convene Informal Hearing

## #1. Arash Rahmatian

Mr. Harris explained the basis for denial. Dr. Rahmatian lacks the PE exam and verified engineering experience. The FE was waived with PhD and teaching. The basis for denial was experience and exams. The EOR was returned with the applicant electing a formal hearing. This is a review of the application to determine if there are any Material Facts in Dispute. If not, then convene Informal Hearing and if there are material facts in dispute then forward to DOAH for a formal hearing.

Upon motion by Mr. Fleming, seconded by Ms. Myers, to deny the request for a formal hearing, the motion passed.

Upon motion by Mr. Albergo, seconded by Mr. Shah, that Mr. Dhuwe was properly served with the Notice of Intent to Deny and filed an Election of Rights or other responsive pleadings within the time period required by law to convene a 120.57(2) hearing not involving disputed issues of fact after the voluntary dismissal of the DOAH petition and remand from DOAH, to accept the complete application and DOAH files, including any supplemental materials provided by Mr. Dhuwe, into the record, to adopt the factual allegations contained within the Notice of Intent to Deny as the Board's findings of facts, to adopt the legal conclusions contained in the Notice of Intent to Deny as the Board's conclusions of law, and find the facts adequately support the denial of the application for Florida licensure, and to deny the application for Florida licensure and to stay this decision for 10 days, to direct staff to contact the applicant and to offer the option to withdraw the application in writing, the motion passed.

FLORIDA BOARD OF  
PROFESSIONAL ENGINEERS

### **Part III** **Disciplinary Hearings** **(Thursday, April 13, 2022)**

Mr. Rimes outlined the facts of the CE cases as noted on the list below. The charges relate to a violation of §471.033(1)(a), F.S.: Violating ... any other provision of this chapter or rule of the board or department. Rule 61G15-19.001(6)(s), F.A.C.: Renewing or reactivating a license without completion of Continuing Education (CE) hours.

Mr. Rimes suggested that the first 14 cases be taken up as one item, with any individual cases a member had questions about being pulled for separate action. Mr. Rimes further suggested that the materials provided indicated which member(s) would be recused from the vote due to participation in a Probable Cause Panel.

Upon motion by Ms. Ramsey, seconded by Ms. Myers, to accept THE FIRST 14 settlement stipulations as presented with one vote, the appropriate board members serving on PCP being recused, and NO cases being pulled out for individual consideration; and that

acceptance of the settlement stipulations in these cases does NOT constitute discipline on the licensee's Florida PE license as noted on the agenda and in the meeting materials, the motion passed.
