4. Discussion on current SI Rules and amending/adding to rules

Mr. Pistorino discussed the topic of adding another class of SIs for renovation work. The Committee tabled the item pending results of the joint FBPE/FBC committee discussions and FBC rulemaking.

The Committee discussed the need for responsibility rules and determined that Mr. Varghese and Mr. Pistorino would prepare a draft for the committee next meeting in approximately two months.

The committee would also like to propose to the full FBPE Board the creation of a joint FBPE/FBC committee regarding the recently passed bill in the legislature.
