C. FBPE Mission and Scope

#1. FBPE's Mission: To protect the health and safety of the public by properly regulating the practice of engineering within the State of Florida.

#2. FBPE's Scope: To meet its statutory obligation and exercise its legislative authority by reviewing and approving engineering applications; managing, updating and enforcing

the rules that govern the practice of engineering and to guard against the unlicensed practice of engineering within the State of Florida.

D. Approval of the Agenda

Upon motion by Ms. Myers, seconded by Mr. Pistorino, to approve the agenda, the motion passed unanimously.

E. Correspondence to the Board

#1. Discussion on email from Christopher Hanson, PE – Re: New Rule requiring SE Licensure for buildings over 3 stories

Mr. Rimes discussed the email. Discussion followed. The board asked Mr. Harris to respond to the AHJ that our rules do not require the items they have listed in their requirements.

Application Review

F. Review of Applications – Education and Experience will be done at one time and ratified at the same time

- PE Licensure Applications
- SI Applications
- FRSE Applications

Ms. Sammons read the list of the applicants and the reasons for review for each application. The Board proceeded through the list with discussion as appropriate to the decision.

Upon motion by Mr. Shah seconded by Mr. Mousa, that the list read by Ms. Sammons is approved as the decisions of the board, the motion passed.
