3. Ratification of the actions taken during the FBPE Application Review held March 8, 2016

Ms. Raybon stated that on page 29, Adarsh Sebastian is shown as a denial and it should be a conditional approval because the applicant is lacking 6 hours of H&SS. Dr. Roddenberry and Mr. Fiorillo agreed that it should be shown as a conditional approval on the ratification list.

Ms. Raybon stated that on page 36, CPM North American was denied for not showing a way to evaluate the licensee's performance in the course but that information was in the materials provided in a statement on one of the many pages provided. Mr. Hahn agreed that it should be changed to an approval on the ratification list.

Upon motion by Mr. Hahn, seconded by Dr. Roddenberry, the ratification list as amended was approved. The motion passed.
