BOARD OF PROFESSIONAL ENGINEERS

FLORIDA ENGINEERS
MANAGEMENT CORPORATION,

Petitioner,
vs.

FEMC Case No.: 2018000611

TIMOTHY A. BARBER, P.E.

Respondent.

FINAL ORDER

THIS CAUSE came before the BOARD OF PROFESSIONAL ENGINEERS (Board) pursuant to Sections 120.569 and 120.57(2), Florida Statutes, on December 6, 2018, in Tallahassee, Florida, for consideration of the Administrative Complaint (attached hereto as Exhibit A) in the above-styled cause. At the hearing, Petitioner was represented by John J. Rimes, Chief Prosecuting Attorney. Respondent was not present and was not represented by counsel.

RULING ON MOTION

Petitioner has filed and properly served upon Respondent a Motion for Determination that Respondent forfeited his right to an administrative hearing pursuant to section 120.57(1), F.S. and to convene a section 120.57(2), F.S. hearing not involving disputed issues of material fact. Respondent failed to respond to the Motion.

After consideration of the Motion, the Board finds that Respondent failed to respond to the served Administrative Complaint within the time period provided by law, which constitutes a waiver of the right to elect a hearing. Accordingly, Petitioner's Motion is GRANTED and the Board convenes a section 120.57(2), F.S., hearing.

FINDINGS OF FACT

1. Respondent was properly served with a copy of the Administrative Complaint and did not file a response within 21 days of service.
2. The investigative file provided and accepted into evidence establishes the facts alleged in the Administrative Complaint.
3. The Board adopts as its finding of facts the allegations of fact in the Administrative Complaint.

CONCLUSIONS OF LAW

1. Failure to timely respond to a properly served Administrative Complaint constitutes a waiver of the right to elect a hearing involving disputed issues of material fact pursuant to Section 120.57(1), Florida Statutes.
2. The established facts constitute the violations set forth in the Administrative Complaint, which are adopted and incorporated by reference as the conclusions of law in this case and for which the Board may impose discipline.
3. The Board is empowered by Sections 455.227 and 471.033, Florida Statutes, to impose a penalty against the Respondent. THEREFORE, IT IS

ORDERED that Respondent's license to practice Professional Engineering, No. 63974, is REVOKED. It is further

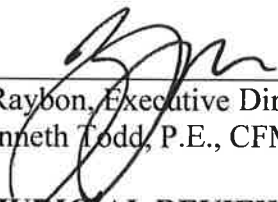

ORDERED that the Board assesses and imposes administrative costs in the amount of six hundred four dollars and seventy-five cents (\$604.75).

This Final Order shall become effective upon filing with the Clerk of the Department of Business and Professional Regulation.

Any proceeding concerning this complaint shall be conducted pursuant to Section 120.57, Florida Statutes. In support of this complaint, Petitioner alleges the following:

1. Petitioner, Florida Board of Professional Engineers, is charged with regulating the practice of engineering pursuant to Chapter 455, Florida Statutes. This complaint is filed by the Florida Engineers Management Corporation (FEMC) on behalf of Petitioner. FEMC is charged with providing administrative, investigative, and prosecutorial services to the Florida Board of Professional Engineers pursuant to Section 471.038, Florida Statutes (1997).

Respondent received a \$1,500 payment from the Architect for the homeowners for the engineering services. Respondent never provided the design and after numerous communications with the Architect for the homeowners and the homeowners, Respondent provided no explanation to the homeowners or the Architect as to why Respondent didn't deliver the plans. The Architect and homeowners tried unsuccessfully to get Respondent to complete the engineering services or to obtain a refund of their payment. Respondent has ceased all communication with the Architect and homeowners.

4. Section 471.033(1)(g), Florida Statutes, provides that an engineer is subject to discipline for engaging in negligence in the practice of engineering. Rule 61G15-19.001(4), Fla. Admin. 6. As set forth in Paragraphs Three (3) through Five (5) Respondent failed to exercise due care and has failed to have due regard for engineering standards and principles.

7. Based on the foregoing, Respondent is charged with violating Section 471.033(1)(g), Florida Statutes, and Rule 61G15-19.001(4), F. A. C., by being negligent in the practice of engineering.
