Mr. Salazar is lacking 4.1 hours of general education. Mr. Salazar’s application was previously reviewed by the Board, and he was granted 90 days to take two CLEP courses. That time period has passed, and he requested additional time that was denied.

#2. Federico Balestrazzi

Mr. Balestrazzi was present and sworn in prior to addressing the board. Mr. Harris explained the basis for denial. Mr. Balestrazzi’s application was denied based on the fact that he lacks the required months of design experience. Experience #1 and # 3 are for design. The description of the design part is unacceptable. The rule does not allow inspections to be reported on the design form. Also the descriptions are just cut and paste. Experience #2 is a three story building, not a threshold building. Experience #4 is
restoration work. Experience #5 is stone-cladding inspections. Experience #6 is curtain wall inspection.
