Part I – Wednesday, August 11, 2021

A. Call to Order

Mr. Fleming called the meeting to order. Ms. Sammons called roll.

B. Roll Call, Determination of Quorum, and Address Absences.

Board Members Present:

Kevin Fleming, P.E., Chair
Scott Drury, P.E., Vice Chair
Dylan Albergo, P.E.
Jeb Mulock, P.E.
Yassi Myers, P.E.
John Pistorino, P.E.
Denise Ramsey, P.E.
Pankaj (PJ) Shah, P.E.
Babu Varghese, P.E., S.I.

Attorney General's Office:

Lawrence Harris, Senior Assistant Attorney General, Counsel to the Board

Staff Members Present:

Zana Raybon, Executive Director
John J. Rimes, III, Chief Prosecuting Attorney
Rebecca Sammons, Assistant Executive Director

C. Introduction of guests and announcements as to presentations at a time certain

William Lampkin, FBPE Public Information Officer

D. FBPE Mission and Scope

#1. FBPE's Mission: To protect the health and safety of the public by properly regulating the practice of engineering within the State of Florida.

#2. FBPE's Scope: To meet its statutory obligation and exercise its legislative authority by reviewing and approving engineering applications; managing, updating and enforcing the rules that govern the practice of engineering and to guard against the unlicensed practice of engineering within the State of Florida.

E. Approval of the Agenda

Upon motion by Mr. Drury, seconded by Mr. Shah, to approve the agenda, the motion passed.

F. Approval of Consent Agenda

Upon motion by Mr. Shah, seconded by Ms. Myers, to approve the consent agenda, the motion passed.

#1. Minutes from March 10, 2021 FBPE Rules Committee Meeting

Approved under consent agenda.

#2. Minutes from June 9-10, 2021 FBPE Board Meeting

Approved under consent agenda.

#3. Minutes from June 10, 2021 FBPE Rules Committee Meeting

Approved under consent agenda.

#4. Minutes from July 14, 2021 FBPE Probable Cause Panel Meeting

Approved under consent agenda.

#5. Minutes from July 14, 2021 FBPE Board Meeting

Approved under consent agenda.

#6. 20-21 4th Quarter FEMC Report

Approved under consent agenda.

#7. Application for Retired Status

Approved under consent agenda.

G. Committee Reports

#1. Probable Cause Panel **(Next Meeting: September 8, 2021, at 8:30am via video conference – Panel A)**

(Panel A: Robert Matthews, P.E., Chair; Babu Varghese, P.E., S.I.; Warren Hahn, P.E.) and
(Panel B: Robert Matthews, P.E., Chair; Dylan Albergo, P.E.; John Pepper, P.E., S.I.)

(a) Committee Chair's Report.

#2. Applications Review **(Next Meeting: September 8, 2021, at 1pm via video conference)**

(PJ Shah, P.E., Chair; Dylan Albergo, P.E.; Scott Drury, P.E.; Kevin Fleming, P.E.;
Jeb Mulock, P.E.; Yassi Myers, P.E.; John Pistorino, P.E.; Denise Ramsey, P.E.;
Babu Varghese, P.E., S.I.)

(a) Committee Chair's Report.

(b) Application Review – Education and Experience will be done at one time and
ratified the following day (Thursday morning)

#3. Rules Committee **(Next Meeting: TBD)**

(Kevin Fleming, P.E., Chair; Scott Drury, P.E., PJ Shah, P.E.)

(a) Committee Chair's Report.

#4. Multidimensional Electronic Model Task Force **(Next Meeting: TBD)**

(FBPE Board Members: Dylan Albergo, P.E.; Scott Drury, P.E.)

(a) Committee Chair's Report.

Mr. Albergo reported that the committee has not met since January 2021 when it
completed its purpose, and the committee could be disbanded. Mr. Fleming stated that
the committee would be disbanded.

#5. Joint FBPE-FEMC Committee **(Next Meeting: TBD)**

(FBPE Board Members: Kevin Fleming, P.E.; Dylan Albergo, P.E.)

(FEMC Board Members: Barney Bishop, Committee Chair, Public Member; John Stewart,
Public Member)

H. NCEES

(Kevin Fleming, P.E., FBPE Liaison)

#1. 2021 NCEES Annual Meeting Information/Update

Mr. Fleming discussed the annual meeting and went over the proposed motions. Discussion
followed.

Upon motion by Mr. Shah, seconded by Mr. Drury, to authorize Mr. Fleming to vote on behalf of the board and if he is unable to attend then Ms. Raybon is authorized to vote on behalf of the board, the motion passed.

#2. 2021 NCEES Annual Meeting Engineering Forum Report

Provided for informational purposes.

I. Advisory Attorney's Report

#1. Rules Report

Mr. Harris presented the rules report for the board's review and consideration.

#2. Public Hearing on Rule 61G15-22.0002 – Licensure Change of Status, Reactivation; Reinstatement of Void Licenses

Mr. Harris explained the proposed rule amendment. Discussion followed on the proposed language.

Upon motion by Mr. Albergo, seconded by Mr. Shah, to open Rule 61G15-22.0002 for development, the motion passed.

Upon motion by Mr. Albergo, seconded by Mr. Drury, to accept the following proposed language: 61G15-22.0002 Licensure Change of Status, Reactivation; Reinstatement of Void Licenses.

(1) through (2) No change.

(3) Reinstatement of Void Licenses. Persons previously licensed as professional engineers in Florida may not re-apply for licensure by examination or by endorsement pursuant to Section 471.013 or 471.015, F.S. Rather, pursuant to Sections 455.271(6) and 471.019, F.S., any person previously licensed as a professional engineer in Florida whose Florida license has become void must apply for reinstatement of the previous license. Application for reinstatement shall be made on form FBPE/023, Change of Status Application, referenced in subsection (1). In addition to a completed application form, all applications for reinstatement shall be accompanied by the following.

(a) No change.

(b) Documentation of satisfaction of any disciplinary obligations imposed against the void license; ~~and~~

(c) Passage of the Board's Laws and Rules Study Guide; and

(d) Documentation of one of the following:

1. No change.

2. Applicants not currently in active practice as a professional engineer must provide proof of completion of thirty-six (36) hours of continuing education, including two (2) hours of

professional ethics and a one (1) hour course in Florida Laws and Rules. With the exception of the one (1) hour Florida Laws and Rules course, which can be taken online, the remaining thirty-five (35) hours must be either in-person or synchronous live streaming / videoconference / interactive webinar OR obtained through distance learning CE courses provided by a national or Florida statewide engineering society or association in-person courses; other online or distance learning courses will not be accepted.

(4) No later than December 31, 2026, the Board shall review and consider amendment, modification, or repeal of this rule if review determines this rule creates barriers to entry for private business competition, is duplicative, outdated, obsolete, overly burdensome, or imposes excessive costs. Failure by the Board to act in accordance with this provision will result in the expiration of this rule on December 31, 2026.

Upon motion by Mr. Drury, seconded by Mr. Shah, that the proposed rule amendments will have no adverse impact on small business and will not increase regulatory costs or have a net increase of regulatory costs in excess of \$200,000 in one (1) year or one (1) million dollars within five (5) years after the implementation of the final part of the rule, a violation of any part of the rule cannot be resolved through issuance of a notice of noncompliance does not apply to this rule, and to use the standard sunset language for this rule, the motion passed.

#3. Public Hearing on Rule 61G15-23.001 – Signature, Date and Seal Shall Be Affixed

Mr. Harris explained the proposed rule amendment. Discussion followed.

Upon motion by Mr. Drury, seconded by Mr. Shah, to open the rule for development, the motion passed.

Upon motion by Mr. Drury, seconded by Mr. Shah, to propose the following amendment to the rule:

61G15-23.001 Signature, Date and Seal Shall Be Affixed.

(1) through (3) No change.

(4) Additional Requirements for Plans or Prints, Engineering Specifications and Calculations, and Engineering Reports or Other Documents. When an engineer signs, dates and seals any of the following types of documents plans or prints under the provisions of Section 471.025, F.S., and subsection (1) of this rule, the following additional information must be included:

(a) No change.

(b) Engineering Specifications and Calculations. An index sheet shall be used and shall be signed, dated and sealed by each professional engineer who is in responsible charge of any portion of the engineering specifications or calculations.

1. No change.

2. The index sheet shall include at a minimum:

a. through c. No change.

d. ~~Identification of the applicable building code and chapter(s) and Florida Fire Prevention Code, when applicable, that the design is intended to meet.~~

e. Identification of any computer program used for engineering the specifications or calculations.

(c) through (d) No change.

(5) No change.

(6) As detailed in Rule 61G15-30.003(1)(b), F.A.C., signed and sealed documents are presumed to comply with all applicable codes and standards in effect at the time of sealing. Unless the documents are amendments to documents previously signed and sealed by the engineer, and that fact is clearly noted at the time of submission, the licensee must affirmatively indicate on the documents any other edition of a code or standard, other than those currently in effect, with which the licensee intends the documents to comply.

The motion passed.

Upon motion by Mr. Drury, seconded by Mr. Shah, that the proposed rule amendments will have no adverse impact on small business and will not increase regulatory costs or have a net increase of regulatory costs in excess of \$200,000 in one (1) year or one (1) million dollars within five (5) years after the implementation of the final part of the rule, a violation of any part of the rule cannot be resolved through issuance of a notice of noncompliance does not apply to this rule, and to use the standard sunset language for this rule, the motion passed.

#4. Public Hearing on Rule 61G15-31.003 – Design of Structures Utilizing Prefabricated Wood Trusses

Mr. Fleming discussed this item. No action was taken.

#5. Public Hearing on Rule 61G15-32.003, 34.003, 34.004 and 34.007(JAPC comments)

Mr. Harris discussed the proposed rule amendments and the concerns from JAPC.

Upon motion by Mr. Shah, seconded by Mr. Albergo, to open the rules for development, the motion passed.

Discussion followed.

Upon motion by Mr. Drury, seconded by Ms. Ramsey, to propose the following rule amendments:

61G15-34.003 Design of Heating, Ventilation, Air Conditioning, and Refrigeration Systems.

(1) through (2) No change.

(3) For Mechanical Engineering Documents pertaining to HVAC systems exempted by the threshold requirements for mandatory use of professional engineering services established by paragraph 471.003(2)(h), F.S., the Engineer of Record shall determine the level of detail shown on plans for HVAC systems. All such plans must include a disclaimer stating the HVAC systems are exempt from professional engineering services and shall provide a clear

understanding of the minimum system requirements expected to be installed by the contractor and permitted by the authority having jurisdiction (AHJ). In the event the Engineer of Record provides more information and direction than is minimally required, he or she shall be held responsible for the technical accuracy of the work in accordance with applicable codes, standards and sound engineering principles.

(4) Mechanical Engineering Documents pertaining to HVAC systems that exceed the threshold requirements for mandatory use of professional engineering services, ~~the plans~~ must include the following information, if applicable to the particular project:

(a) through (s) No change.

(5) No later than December 31, ~~2026~~2024, the Board shall review and consider amendment, modification, or repeal of this rule if review determines this rule creates barriers to entry for private business competition, is duplicative, outdated, obsolete, overly burdensome, or imposes excessive costs. Failure by the Board to act in accordance with this provision will result in the expiration of this rule on December 31, 2026.

61G15-34.004 Design of Process and Fluid Flow Systems.

(1) through (2) No change.

(3) Mechanical Engineering Documents pertaining to Process and Fluid Flow Systems must include the following information, if applicable to the particular project:

(a) Demonstrate and provide adequate information for the AHJ to determine compliance with codes and ordinances. These may include test methods and results; or data and tabulations that are results of the design.

(b) Equipment selection schedule for each piece of mechanical equipment. All equipment must include the following information, if applicable to the particular equipment:

1. through 6. No change.

(c) through (l) No change.

(4) No later than December 31, ~~2026~~2024, the Board shall review and consider amendment, modification, or repeal of this rule if review determines this rule creates barriers to entry for private business competition, is duplicative, outdated, obsolete, overly burdensome, or imposes excessive costs. Failure by the Board to act in accordance with this provision will result in the expiration of this rule on December 31, 2026.

61G15-34.007 Design of Plumbing Systems.

(1) through (2) No change.

(3) For Mechanical Engineering Documents pertaining to Plumbing Systems exempted by the threshold requirements for mandatory use of professional engineering services established by paragraph 471.003(2)(h), F.S., the Engineer of Record shall determine the level of detail shown on plans for a plumbing system. All such plans shall include a disclaimer stating the Plumbing systems are exempt from professional engineering services and shall provide a clear understanding of the minimum system requirements expected to be installed by the contractor and permitted by the authority having jurisdiction (AHJ). In the event the Engineer of Record provides more information and direction than its minimally required, he or she shall be held responsible for the technical accuracy of the work in accordance with applicable codes, standards, and sound engineering principles.

(4) No change.

(5) No later than December 31, ~~2026~~2024, the Board shall review and consider amendment, modification, or repeal of this rule if review determines this rule creates barriers to entry for private business competition, is duplicative, outdated, obsolete, overly burdensome, or imposes excessive costs. Failure by the Board to act in accordance with this provision will result in the expiration of this rule on December 31, 2026.

The motion passed.

Upon motion by Mr. Drury, seconded by Mr. Mulock, that the proposed rule amendments will have no adverse impact on small business and will not increase regulatory costs or have a net increase of regulatory costs in excess of \$200,000 in one (1) year or one (1) million dollars within five (5) years after the implementation of the final part of the rule, a violation of any part of the rule cannot be resolved through issuance of a notice of noncompliance does not apply to this rule, and to use the standard sunset language for this rule, the motion passed.

#6. Public Hearing on 61G15 – to update board address on rules (see list attached))

Mr. Harris discussed the need to update all the applications and rules with the board's new office address as of October 1st and that this is a technical change.

Upon motion by Mr. Varghese, seconded by Ms. Myers, to direct Mr. Harris and staff to prepare the necessary documentation to update the board's address as needed, the motion passed.

#7. Antitrust Update

Provided for informational purposes.

#8. Discussion on Federal Executive Order

Provided for informational purposes.

J. Executive Director's Report

#1. Office Relocation Update

Ms. Raybon provided the board with an update on the office move scheduled for late September.

#2. Annual Certification of FEMC-DBPR Contract

Ms. Raybon stated that we are required by contract to submit a certification every year.

Upon motion by Mr. Pistorino, seconded by Mr. Albergo, approve the certification, the motion passed.

#3. Proposed change to PE Certificates

Ms. Raybon discussed the PE certificates. Ms. Raybon stated that current certificates have the gold state seal attached manually but staff is recommending printing the seal in color on the certificates. It would save staff time and money. The board agreed with the change to the certificates.

Ms. Raybon discussed the PE Licenses that the engineer prints from the DBPR portal and the recent request from DBPR to add the secretary's name to the license. Ms. Raybon presented the board with three options for adding the secretary's name to the license.

Discussion followed.

The board decided on option #2 for the new PE License that is printed from the DBPR portal by licensees.

#4. Discussion on 2022 FBPE/FEMC Meeting Calendar (i.e.: full face to face meetings; hybrid meetings; continue with video conference meetings – calendar attached)

Ms. Raybon discussed the 2022 meeting calendar and asked if the board wants to have in-person meetings, continue with video conference meetings, or have hybrid meetings.

Discussion followed.

Upon motion by Mr. Shah, seconded by Mr. Drury, to return to in-person meetings for 2022, the motion passed.

#1. Email from Mr. Craig Johnson – Re: Clarification of Qualifying work experience for PE Licensure

O. Correspondence to the Board

#1. Email from Mr. David Herbert – Re: is the ABC Course required for a PE doing and submitting geo-tech reports

Mr. Harris discussed this email. Discussion followed. Mr. Fleming and Mr. Harris will respond.

#2. Email from Mr. Bill Dunn, P.E. – Re: Will his course “Sexual Harassment Prevention” satisfy the Ethics requirement for renewal.

Ms. Raybon discussed the email and request.

Discussion followed.

Mr. Fleming and Mr. Harris will respond.

#3. Email from Ms. Angelina Fairchild, P.E. – Re: Protocols for building evaluations

This item will be placed on the next Rules Committee agenda for discussion.

Part II
Informal Hearing Agenda
(Thursday, August 12, 2021)
(August 2021 FBPE Licensure Book)

Review of FBPE Mission and Scope:

FBPE’s Mission: To protect the health and safety of the public by properly regulating the practice of engineering within the State of Florida.

FBPE’s Scope: To meet its statutory obligation and exercise its legislative authority by reviewing and approving engineering applications; managing, updating and enforcing the rules that govern the practice of engineering and to guard against the unlicensed practice of engineering within the State of Florida.

S. Ratification of Actions from Application Review, August 11, 2021

Upon motion by Mr. Shah, seconded by Mr. Pistorino, to approve the list, the motion passed.

T. Informal Hearing on Application for Licensure by Endorsement

#1. Daniel Williams

Mr. Williams was present and sworn in prior to addressing the board. Mr. Harris explained

the basis for the denial of the application. Mr. Williams holds a BS in Civil Engineering from the Florida Gulf Coast University. The basis for denial was experience. Mr. Williams lacks 48 months of verified engineering experience. Mr. Fleming explained the reason for the denial.

Mr. Williams addressed the board.

Discussion followed.

Upon motion by Mr. Albergo, seconded by Mr. Varghese, to vacate the notice of intent to deny and approve the application of Mr. Williams, the motion passed.

U. Informal Hearing on Application for Special Inspector Certification

#1. Esther Calle

This application was moved to the October 2021 FBPE Board meeting at the request of the applicant's counsel.

V. Petition for Waiver and Variance of Rule 61G15-20.002 (1)(b)11

#1. Matthew Filer

Mr. Filer was present and sworn in prior to addressing the board. Mr. Harris explained the basis of the denial of the application and of the petition.

Mr. Filer addressed the board. Discussion followed. Mr. Filer requested to withdraw his application and petition.

Upon motion by Mr. Drury, seconded by Mr. Shah, to vacate the notice of intent to deny and to accept the withdrawal of the application and petition, the motion passed.

W. Petition for Waiver and Variance of Rule 61G15-22.0002(3)

#1. Keasia Daniels

Ms. Daniels was present and sworn in before addressing the board.

Mr. Harris explained the basis for the petition.

Discussion followed.

Upon motion by Mr. Drury, seconded by Mr. Shah, to grant the petition of Ms. Daniels, the motion passed.

#2. Lewis Davies

Mr. Davies was present and sworn in before addressing the board.

Mr. Harris explained the basis for the petition.

Discussion followed.

Upon motion by Mr. Varghese, seconded by Mr. Shah, to grant the petition of Mr. Davies, the motion passed.

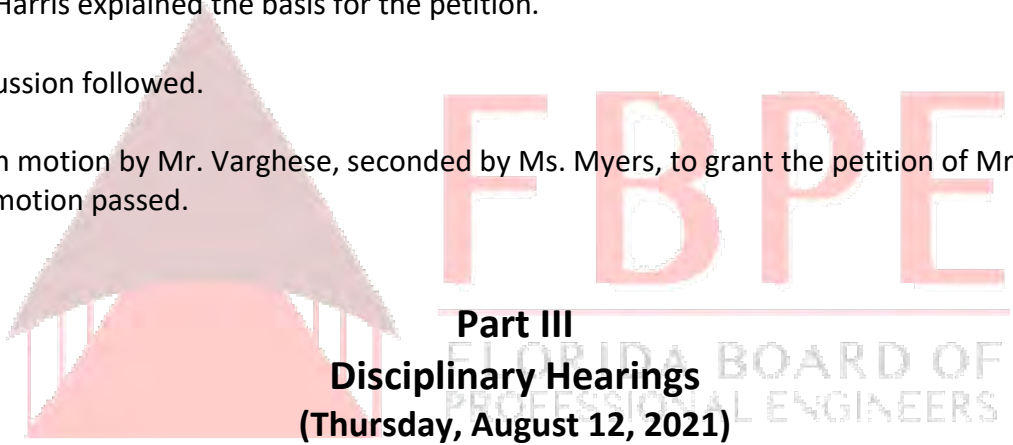

#3. C. Reed Haydon

Mr. Haydon was present and sworn in before addressing the board.

Mr. Harris explained the basis for the petition.

Discussion followed.

Upon motion by Mr. Varghese, seconded by Ms. Myers, to grant the petition of Mr. Haydon, the motion passed.

Part III
Disciplinary Hearings
(Thursday, August 12, 2021)

X. Settlement Stipulation

#1. Curtis, James, P.E.

P.E. Number: 37912
FEMC Case Number: 2019060873
Probable Cause Panel Date: March 10, 2021
Probable Cause Panel: Matthews, Albergo & Pepper
Represented By: Edwin Bayó, Esquire

Mr. James was present along with counsel Mr. Bayo. Mr. James was sworn prior to addressing the board.

Mr. Rimes outlined the facts of the case. The charges relate to violation of Section 471.033(1)(g), F.S., & Rule 61G15-19.001(4) by engaging in negligence in the practice of engineering.

The Probable Cause Panel recommendation was an administrative fine of \$ 1,000.00, administrative costs of \$7,349.05, reprimand, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future, two years' probation, successful completion of the board-approved Basic Engineering Professionalism and Ethics course, project/plan reviews on mechanical and fire system at 6 and 18 month intervals, and successful completion of the board's study guide.

The Settlement Stipulation is the same as the PCP recommendation.

Mr. Bayo addressed the board. Discussion followed.

Upon motion by Ms. Myers, seconded by Mr. Shah, to accept an amended settlement stipulation, which include removal of the plans review of mechanical systems but all other items remain, the motion passed.

#2. Tommell, Richard, P.E.

P.E. Number:	61859
FEMC Case Number:	2020009259
Probable Cause Panel Date:	March 10, 2021
Probable Cause Panel:	Matthews, Albergo & Pepper
Represented by:	Clayton T. Osteen, Esq

Mr. Tommell was present along with his counsel, Mr. Osteen. Mr. Tommell was sworn in prior to addressing the board.

Mr. Rimes outlined the facts of the case. The charges relate to a violation of Section 471.033(1)(g), F.S., & Rule 61G15-19.001(4) by engaging in negligence in the practice of engineering.

The Probable Cause Pane recommendation was an administrative fine of \$3,000.00 (\$1,000.00 per three counts), administrative costs of \$8,851.55, reprimand, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future, two years' probation, successful completion of the board-approved Basic Engineering Professionalism and Ethics course, project/plan reviews on MEP and STR at 6 and 18 month intervals, and successful completion of the board's study guide.

The Settlement Stipulation is an administrative fine of \$1,000.00, administrative costs of \$4,425.80, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future, restricted from electrical power engineering until passes the NCEES 8-hour electrical power exam then 6 and 18 month project review, two years' probation, successful completion of the board-approved Basic Engineering

Professionalism and Ethics course, project/plan reviews on MEP and STR at 6 and 18 month intervals, and successful completion of the board's study guide.

Mr. Osteen addressed the board. Discussion followed.

Upon motion by Mr. Varghese, seconded by Mr. Shah, to accept the settlement stipulation, the motion passed.

#3. Wilkinson, Carey, P.E.

P.E. Number: 80472
FEMC Case Number: 2020044838
Probable Cause Panel Date: March 10, 2021
Probable Cause Panel: Matthews, Albergo & Pepper
Represented by: Julie Ball, Esq

Mr. Wilkinson was present along with counsel, Ms. Ball. Mr. Wilkinson was sworn in prior to addressing the board.

Mr. Rimes outlined the facts of the case. The charges relate to a violation of Section 471.033(1)(g), F.S., & Rule 61G15-19.001(4) by engaging in negligence in the practice of engineering.

The Probable Cause Panel recommendation was an administrative fine of \$ 1,000.00, administrative costs of \$5,028.75, reprimand, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future, two years' probation, successful completion of the board-approved Basic Engineering Professionalism and Ethics course, project/plan reviews on STR at 6 and 18 month intervals, and successful completion of the board's study guide.

The Settlement Stipulation is an administrative fine of \$ 1,000.00, administrative costs of \$5,025.75, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future, two years' probation, successful completion of the board Approved Basic Engineering Professionalism and Ethics course, project/plan reviews on STR at 6 and 18 month intervals, and successful completion of the board's study guide.

Ms. Ball addressed the board. Discussion followed.

Upon motion by Mr. Varghese, seconded by Mr. Shah, to accept the settlement stipulation, the motion passed.

#4. Zuendt, Alexander, P.E.

P.E. Number: 81552
FEMC Case Number: 2020000551
Probable Cause Panel Date: January 20, 2021
Probable Cause Panel: Matthews, Fleming, & Hahn
Represented by: Dylan Rivers, Esq

Mr. Zuent was present along with counsel, Mr. Rivers. Mr. Zuendt was sworn in prior to prior addressing the board.

Mr. Rimes outlined the facts of the case. The charges relate to a violation of Section 471.033(1)(g), F.S., & Rule 61G15-19.001(4) by engaging in negligence in the practice of engineering.

The Probable Cause Panel recommendation was administrative costs of \$7,139.55, administrative fine of \$3,000 (\$1,000.00 per count), reprimand, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future. restricted from electrical and mechanical engineering until he passes each of the NCEES exams with project reviews at 6 and 18 months after he takes and passes the mechanical exam and/or passes the electrical exam, two years' probation, successful completion of the board-approved Intermediate Engineering Professionalism and Ethics course, and successful completion of the board's study guide.

The Settlement Stipulation is administrative costs of \$2,500.00, administrative fine of \$1,000.00, appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented to prevent this circumstance from occurring in the future, permanently restricted from electrical and mechanical engineering, successful completion of the board-approved Intermediate Engineering Professionalism and Ethics course, and successful completion of the board's study guide.

Mr. Rivers addressed the board. Discussion followed.

Upon motion by Mr. Varghese, seconded by Mr. Shah, to accept the settlement stipulation, the motion passed.

Y. Request for Reconsideration of Final Order

#5. Perret, Victor, P.E.

P.E. Number: 65760
FEMC Case Number: 2020007344
Probable Cause Panel Date: November 10, 2020
Probable Cause Panel: Matthews, Fleming, & Drury

Mr. Rimes outlined the facts of the case. The charges relate to a violation of Section 471.033(1)(a), F.S.: Violating ... any other provision of this chapter or rule of the board or department. Rule 61G15-19.001(6)(s), F.A.C.: Renewing or reactivating a license without completion of Continuing Education (CE) hours

The Probable Cause Panel recommendation was an administrative fine of \$ 500.00; administrative costs of \$154.05, the Auburn Univ, P&E Course, and successful completion of the board's study guide.

Probable Cause was found on November 10, 2020, on the issue of Respondent. An Administrative Complaint was authorized and filed on November 20, 2020. A signed Election of Rights requesting an Informal hearing was returned to the FBPE office on December 18, 2020.

Mr. Perret attended the April 2021 FBPE board meeting but could be not heard due to technical difficulties. Mr. Perret submitted a letter asking the board to reverse their decision and dismiss the case. Discussion followed.

Upon motion by Mr. Shah, seconded by Ms. Myers, to vacate the final order and dismiss the case, the motion passed.

Z. Default

#6. Blouin, Bruce, P.E. (CE Case)

P.E. Number:	78862
FEMC Case Number:	2020002318
Probable Cause Panel Date:	September 09, 2020
Probable Cause Panel:	Matthews, Fleming & Drury

Mr. Blouin was present and sworn in prior to addressing the board.

Mr. Rimes outlined the facts of the case. The charges relate to a violation of Section 471.033(1)(a), F.S.: Violating ... any other provision of this chapter or rule of the board or department. Rule 61G15-19.001(6)(s), F.A.C.: Renewing or reactivating a license without completion of Continuing Education (CE) hours.

Probable Cause was found on September 9, 2020, and an administrative complaint was Authorized.

The Probable Cause Panel recommendation was an administrative fine of \$ 2,000.00, administrative costs of \$68.25, reprimand, suspension of license until in compliance and then appearance before the Board, successful completion of the board's study guide, and an appearance before the board to discuss how this situation occurred, what improvements and quality control measures will be implemented

to prevent this circumstance from occurring in the future.

This matter came before the Board at the April 2021 Board meeting for Default. The Respondent attended the meeting and the Board members decided to continue the hearing until the June 2021 Board meeting to give the Respondent time to gather his CE certificates and submit them to FBPE for review. To this date the CE certificates have not been received.

Upon motion by Mr. Pistorino, seconded by Mr. Mulock, that the respondent was properly served with the administrative complaint and failed to file an election of rights or other response as required by law within the required time, and that by failing to respond in writing as required by law the respondent has waived the right to request a hearing, and to grant the motion that the respondent has forfeited the right to select an administrative hearing under section 120.569 and 120.57(1), and to convene a hearing under section 120.57(2), F.S., to accept the entire investigative file of the case including the supplemental materials was accepted into evidence, that the Board adopt the findings of facts contained within the administrative complaint as the Board's findings of facts and to adopt the conclusions of law contained in the administrative complaint as the Board's conclusions of law, the motion passed.

Upon motion by Mr. Shah, seconded by Mr. Varghese, to impose the penalty as follows: costs, successful completion of the board's study guide, the Auburn Professional Ethics course-all within six months, the motion passed. This is not reportable discipline.
