W. Settlement Stipulation

NOTE: Cases 1; 4 – 9 (which are CE cases) may be taken up as one single item unless any board member wishes to pull any case for individual consideration, or a Respondent wishes to address the board. It is understood that any member participating in PCP would be recused from the vote on that item – this agenda indicates the PCP member for each item.

Mr. Rimes outlined the facts of the CE cases as noted on the list below. The charges relate to a violation of §471.033(1)(a), F.S.: Violating ... any other provision of this chapter or rule

Upon motion by Mr. Shah, seconded by Mr. Mousa, to accept Cases 1, 4-9 settlement stipulations as presented with one vote, the appropriate board members serving on PCP being recused, and NO cases being pulled out for individual consideration; and that acceptance of the settlement stipulations in these cases does NOT constitute discipline on the licensee’s Florida PE license as noted on the agenda and in the meeting materials, the motion passed.
